## Résumé

---

### Objective

To utilize and expand upon my design experience by working in a professional, creative, team-oriented environment.

### Employment

RadiantBrands (formerly BGD*i*)  
Designer  
April 2006 – present

Complete various projects for both print and web, including brand identities, marketing collateral, corporate and ecommerce websites, packaging, environmental graphics, original illustration, and retail store design. Responsibilities span idea generation to production, including concept sketching, preparing files for press and coding, proofing and attending press checks, and communicating with clients and vendors.

Division of the State Architect  
Student Assistant, Graphic Design  
June 2004 – March 2006

Completed various projects for both print and web, including identity & collateral, tradeshow displays, and illustration. Responsibilities included updating publications and forms, creating web graphics, preparing files for press, and understanding general office protocol.

School of the Arts, Sacramento State  
Student Studio Manager  
January 2005 – January 2006

Completed and oversaw projects from concept to final print production, including posters, brochures, banners, and event calendars. Responsibilities included creating job schedules, communicating with clients and printers, preparing files for press, and attending press checks.

Publications and Design Office, Sacramento State  
Student Intern  
August 2004 – December 2004

Completed various print projects, ranging from minor updates to re-design of newsletter. Responsibilities included preparing files for press, weekly production meetings, and attending press checks.
